Re: NCDOT Project R-3830, Lee County  
Shallow Well United Church of Christ Cemetery/Relocation of Graves

Dear Sir or Madam:

The North Carolina Department of Transportation has a project planned that involves widening Broadway Road (NC 42) in Sanford, North Carolina. In widening this road the NCDOT will be acquiring cemetery property and relocating graves from within the project area affecting Shallow Well Cemetery.

Attached is a list containing the names of the graves that will require relocation. The NCDOT will work with the next of kin to have these graves relocated. Please review the attached list. If you are related to someone please contact our office at (910) 621-6100 or by email at [jjrivers@ncdot.gov](mailto:jjrivers@ncdot.gov). If you know the relative(s) of someone on the list please pass this letter to such relative(s) or contact our office with the relative's contact information.

Thank you for your time and consideration.

Sincerely,
