We the Missions Committee, thank Madison Haas and Savannah Godfrey for being amazing role models, trainers, and transitional guides as we launch and proceed with our new method of bringing our CUOC food up for blessing. The goals are still the same. The are: 1 -To help us all to realize we are the major parts of this food donation, 2 -our altar represents the full presence of God, 3 – bring food to the altar allows us to ask God's blessing on our donations, and 4 – this helps us to remember to donate food and personal hygiene items. Our children have worked and are ready to bring a symbolic food item to the altar. Today we transition to the new third Sunday method. **Peanut butter** is in focus this month.
