In order to strengthen and help to give more direction to Shallow Well United Church of Christ we have adopted both Vision and Mission statements.

Your Missions Committee is going to emphasize many areas of our work as a church. We as a congregation strongly support CUOC with consistent donations of food and personal hygiene items. There are volunteers that quietly give time and energy to assist the operation of CUOC.

We as a whole support Outreach Mission and Family Promise by donating particular items that are needed, having donations of money budgeted each year, and give ourselves (time and talents).

This particular phrase from our Mission statement speaks to what we strive to do more and more, “will make a positive difference in the lives of individuals, the community, and the world by asking disciples, teaching the Word of God, and **extending a helping hand to those in need.**”

We have quite a few other areas we help. Take a look at the items budgeted under Missions. Quite a few people are involved in other venues of help.

Highway to Healing, Yokefellow and Kairos to name a few.

Don't forget East Lee, our partner school. The **only** middle school with a partner church.

Are we reading “Loving God, Growing Together, Serving Others” on the bulletin and thinking “not me”? We are living it, demonstrating our love. Yes, we as a congregation realize there's work to do in our community and the world. If not us, WHO??
